

**6th Annual Meeting
2nd & 3rd Jan'15**

DAY 1

**Basics in Non-Vascular
Image (USG & CT)
Guided Interventions**

DAY 2

**Percutaneous Image
Guided Ablative
Techniques in
Inoperable Tumors**

The Indian Academy of CT interventions (IACTI) formed in 2010, with the objective of popularizing & teaching the techniques of CT guided interventions to the residents, junior consultants & sharing the experiences & learning from the experts in this field.

Since then **IACTI** has been successfully conducting their annual meeting in Chennai. The 6th Annual Meet of IACTI will be held on the 2nd & 3rd Jan 2015, in Chennai. This will be a two day programme.

Day One will constitute the precise needle placement under ultrasound as well as under CT guidance.

Hands on practical tutorial in acquiring a good sample of tissue for biopsy from soft tissues and bones will be a highlight.

Day two, the emphasis will be on Percutaneous image guided ablative techniques in inoperable tumors. The objective is to introduce the different energies and technologies available for tumor ablation and their advantages and disadvantages.

The entire program will be conducted by national & international experts, specialised in tumor ablation, pain management and various other CT guided interventions. They will present, teach & share their experience on various cases.

Organizing Chairman : Dr.Roy Santosham, Professor and Senior Consultant, Department of Radiology and Imaging Sciences, SRU, Chennai

Organizing Secretary: Dr.Bhawna Dev, Professor, Department of Radiology and Imaging Sciences, SRU, Chennai

Course Co-ordinator: Dr.Kanan

Indian Academy of CT-Guided interventions

IACTI - SCIENTIFIC PROGRAMME

DAY 1 - 02- 01 -2015

BASICS OF IMAGE GUIDED INTERVENTIONS HANDS ON WORKSHOP

- Introduction to CT guided interventions
- Precise Needle Placement under CT guidance
- Basics of Ultrasound Guided Interventions
- Pre - Procedural Requirements
- CT - guided Needle placement - CT fluroscopy
- Simpli CT - Laser guidance
- Local Anesthesia - what u need to know ?
- Handling The Tissue Is That An Issue ?
- Trade Presentation
- HANDS ON WORKSHOP ON MANEQUINES UNDER ULTRASOUND GUIDANCE

DAY 2 - 03- 01 -2015

VARIOUS ABLATIVE TECHNIQUES

- Tumor Biology
- Basics of Radio frequency ablation
- Principles of Micro wave ablation & Cryoablation
- Lung ablation
- Liver Ablation
- TEAR in HCC
- Hepato biliary ablation
- Kidney ablation
- Bone Ablation
- Irreversible Electroporation "IRE"

IACTI Resource Team 2015:

Dr.Ajay Upadhyay

Visiting Interventional radiologist, Gujarat Cancer and Research Institute, Ahmedabad.

Dr. Bhagyam Raghavan

Senior Consultant Radiologist, Apollo Speciality Hospital, Chennai

Dr. Bhawna Dev

Professor, Department of Radiology and Imaging Sciences, Sri Ramachandra University, Chennai.

Dr.Deepthi Moraisas

Consultant Anaesthetist , Apollo Hospitals, Chennai.

Dr.Ganesh Venkataraman

Associate Professor, Department Of Genetics, Sri Ramachandra University, Chennai.

Dr.Govindrajan Narayanan

Department of Radiology, University of Miami, Jackson Memorial Hospital, USA

Dr.Hemant B Telkar

Senior Consultant, Jupiter Heart Scan, Mumbai

Dr.Jayaraj Govindaraj

Senior Consultant Radiologist, Apollo Speciality Hospital, Chennai

Dr.Madan .R

Consultant Radiologist ,MIOT Hospital, Chennai

Dr.Murali K

Interventional Radiologist, MIOT Hospital, Chennai

Dr. Naveen Kalra

Consultant Radiologist , PGI Chandigarh

Dr. M.C.Utthapa

Senior Consultant , Department of Radiology , B.G.S Global Hospital Bangalore.

Dr. Roy Santosham

Professor and Senior Consultant, Department of Radiology and Imaging Sciences, Sri Ramachandra University, Chennai

Dr. Rupesh Mandava

Asst. Prof, Dept of Radiology SRMC & RI, Chennai

Dr.S.Rajindran

Professor and Senior Consultant, Department of Pathology, Sri Ramachandra University, Chennai

Dr. Shuvro Roy Choudhary

Consultant Interventional Radiologist, Fortis Hospital, Kolkata

Dr. Shyam Kumar NK

Department of Radiology, CMC Hospital, Vellore.

Dr. S.Suresh

Chief Medical Director, M.D.Mediscan Systems, Chennai

Dr. Suyash Kulkarni

Consultant Radiologist Tata Memorial Hospital , Mumbai.

Dr. Vinu Moses

Department of Radiology, CMC Hospital, Vellore

Dr. P.M. Venkata Sai

DMRD, DNB, PHD Professor and HOD Department of Radiology, SRMC & RI Porur
